

Using the bluetooth selfie stick

How to pair your mobile device with the Bluetooth remote

1. Press the remote button for 3 seconds to turn the power on. A small LED light will flash to indicate pairing
2. Turn on Bluetooth on your mobile phone, search and pair with "SelfieCom"

NOTE: Make sure your mobile is visible to other devices for the first pairing

3. LED indicator will stop flashing after pairing has been successful

NOTE:

- The remote control will automatically shut down after 5 minutes if not paired
- The remote control will automatically sleep after 10 mins without any operation and auto shut down after another 10 mins if not used
- Long press the remote button to power off. The LED indicator will flash 3 times then the remote control will shut down

Using the Selfie Stick

1.  Open legs to create tripod
2.  Unfold the mount
3.  Open clasp
4.  Insert phone
5.  Rotate phone if needed
6.  Extend pole
