First time users:
Register an account and follow the remaining prompts on screen

4. BEGIN PAIRING MODE

INDICATOR
LED LIGHT

Wi-Fi indicator LED will be flashing blue

Press **Manual Feed Button** until you hear a chime if the Wi-Fi indicator LED isn't flashing. Refer to your instruction manual if you are having issues putting the Pet Feeder into pairing mode
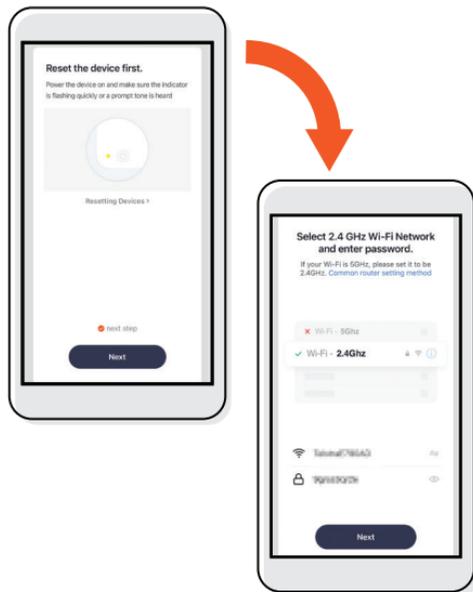

5. ADD THE PET FEEDER

2. SELECT UK – SMART VIDEO PET FEEDER

1. ADD NEW DEVICE

6. CONNECT PET FEEDER TO WI-FI

1. Confirm your local Wi-Fi password

If you have any trouble with this step, ensure that your Wi-Fi password is correct. *If you still have trouble with this step, please check the Instruction Manual*
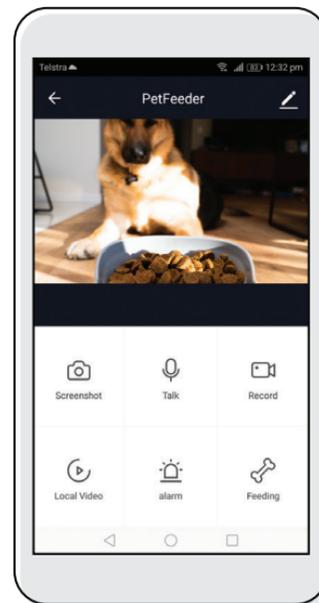

7. SCAN QR CODE WITH CAMERA

1. Hold your mobile phone 15 to 20cm in front of the Pet Feeder for the camera to scan the QR code.
2. Pet Feeder will beep when the code is scanned

8. CONTROL YOUR PET FEEDER

Use the Cocoon Connect app's intuitive control to view the Pet Feeder's camera, take snap shots and activate the feeder's pet food hopper Please see full user manual if you require further instruction, or contact us at customercare@balcolifestyle.com
